LA IA

The advertisement features the HeyGen logo in the top left corner. The main headline reads "AI-powered video creations at scale" in a mix of purple and black text. Below the headline, it displays a rating of "4.8/5" with "500+ Reviews" and a small red icon. On the right side, there is a video thumbnail of a man in a white shirt, surrounded by three circular icons: a cloud upload icon at the top, a speech bubble icon on the left, and a person icon with a plus sign at the bottom right.
